David, thanks for asking!!!! I have both July 20 in Bakersfield and July 21 in Sacramento on my calendar. When we were in Bakersfield during the last meeting it was the consensus that the next meeting should be in Bakersfield on July 20, because several EPA and SWB staff were going to be in Bakersfield for another reason. If that is not the case anymore, we certainly should change it back to Sacramento and spare everyone the extra travel.

I will check with Ken Harris and John Borkovich on DOGGR and SWB. Please check with your team at EPA.

Thanks, Al

Hi Al,

I wanted to confirm with you that the next monthly CA UIC meeting will be July 21 from 1-3pm in Sacramento, DOGGR office. I had seen some traffic about the next meeting being in Bakersfield on the 20th, so I wanted to be sure we are in synch.

Thanks,
David
